

BCC Junior Counselor Application

Summer 2018

Junior Counselor Program

The Junior Counselor Program provides an opportunity to learn from our camp staff and support younger campers as they explore creative skills and artistic expression. Junior Counselors assist camp staff, participate in camp activities, and receive one-on-one coaching sessions. The program is for ages 12-16 years old and costs \$99 per half-day camp session. Junior Counselors must apply for a minimum of 2 camp sessions, either during the same week or different weeks. **The application form is due by April 1.** Junior Counselors will be selected and notified by May 1. Junior Counselors must attend a one hour training session before their scheduled camp.
